**Ref: Pursuant to regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Dear Sir,

NamoeWaste Management Limited is pleased to inform that its fully owned subsidiary, "Techeco Waste Management LLP", has received the necessary approval from the Ministry of Environment, Forest and Climate Change (MoEFCC) for import of Lithium-ion battery scrap into India.

Company has received initial import approval for 500 MT vide MoEFCC vide Letter Reference No.: F.No. 23/23/2026-HSM dated 18th March 2026, against the Company's Application ID: SW0255595376-M014\_D001\_A304-1756464433064, submitted on 29th August 2025, which may be enhanced further subject to necessary approvals from MoEFCC.

This approval marks a significant milestone in strengthening the Company's quality raw material sourcing capabilities for its battery recycling operations. The import license will enable the Company to secure a consistent and diversified supply of end-of-life lithium-ion batteries, thereby enhancing operational efficiency and supporting the scale-up of recycling activities.

The development is aligned with the Company's strategic focus on sustainable resource recovery and its contribution towards India's circular economy initiatives, including support to the National Critical Minerals Mission.

This approval is expected to positively impact the Company's growth trajectory in the Li-ion battery recycling segment.

Please take on record the above information.
