Definition of sexual harassment:

What matters is that the sexual conduct is unwanted and unwelcome by the person against whom the conduct is directed.

Namo Ewaste Management Limited recognizes that sexual harassment is a manifestation of power relationships and often occurs within unequal relationships in the workplace, for example between manager or supervisor and employee.

Anyone, including employees of Namu Ewaste Management Limited, clients, customers, casual workers, contractors or visitors who sexually harasses another will be reprimanded in accordance with this internal policy.

All sexual harassment is prohibited whether it takes place within Namu Ewaste Management Limited premises or outside, including at social events, business trips, training sessions or conferences sponsored by Namu Ewaste Management Limited.

Complaints procedures

Anyone who is subject to sexual harassment should, if possible, inform the alleged harasser that the conduct is unwanted and unwelcome. Namu Ewaste Management Limited recognizes that sexual harassment may occur in unequal relationships (i.e. between a supervisor and his/her employee) and that it may not be possible for the victim to inform the alleged harasser. If a victim cannot directly approach an alleged harasser, he/she can approach one of the designated staff members responsible for receiving complaints of sexual harassment. This person could be another supervisor, a member of the human resources department, etc. When a designated person receives a complaint of sexual harassment, he/shewill:

- immediately record the dates, times and facts of the incident(s)
- ascertain the views of the victim as to what outcome he/shewants
- ensure that the victim understands the Company's procedures for dealing with the complaint
- discuss and agree the next steps: either informal or formal complaint, on the understanding that choosing to resolve the matter informally does not preclude the victim from pursuing a formal complaint if he/she is not satisfied with the outcome
- keep a confidential record of all discussions
- respect the choice of the victim
- ensure that the victim knows that they can lodge the complaint outside of the company through the relevant country/legal framework

Throughout the complaints procedure, a victim is entitled to be helped by a counsellor within the Company. Namu Ewaste Management Limited will nominate a person from senior management and provide him with special training to enable him to assist victims of sexual harassment. Namu Ewaste Management Limited recognizes that because sexual harassment often occurs in unequal relationships within the workplace, victims often feel that they cannot come forward. Namu Ewaste Management Limited understands the need to support victims in making complaints.

Informal complaints mechanism

If the victim wishes to deal with the matter informally, the designated person will:

- give an opportunity to the alleged harasser to respond to the complaint
- ensure that the alleged harasser understands the complaints mechanism
- facilitate discussion between both parties to achieve an informal resolution which is acceptable to the complainant, or refer the matter to a designated mediator within the company to resolve the matter
- ensure that a confidential record is kept of what happens
- follow up after the outcome of the complaints mechanism to ensure that the behaviour has stopped
- ensure that the above is done speedily and within 7 days of the complaint being made

Formal complaints mechanism

If the victim wants to make a formal complaint or if the informal complaint mechanism has not led to a satisfactory outcome for the victim, the formal complaint mechanism should be used to resolve the matter.

The designated person who initially received the complaint will refer the matter to a senior human resources manager to instigate a formal investigation. The senior human resources manager may deal with the matter him/herself, refer the matter to an internal investigator in accordance with this policy.

The person carrying out the investigation will:

- interview the victim and the alleged harasser separately
- interview other relevant third parties separately
- decide whether or not the incident(s) of sexual harassment took place
- produce a report detailing the investigations, findings and any recommendations
- if the harassment took place, decide what the appropriate remedy for the victim is, in consultation with the victim (i.e.-an apology, a change to working arrangements, a promotion if the victim was demoted as a result of the harassment, training for the harasser, discipline, suspension, dismissal)
- follow up to ensure that the recommendations are implemented, that the behaviour has stopped and that the victim is satisfied with the outcome
- if it cannot determine that the harassment took place, he/she may still make recommendations to ensure proper functioning of the workplace
- keep a record of all actions taken
- ensure that all records concerning the matter are kept confidential
- ensure that the process is done as quickly as possible and in any event within 7 days of the complaint being made

Outside complaints mechanisms

A person who has been subject to sexual harassment can also make a complaint outside of the Company. They can do so through labour court or judicial court.

Sanctions and disciplinary measures

Anyone who has been found to have sexually harassed another person under the terms of this policy is liable to any of the following sanctions:

- verbal or written warning
- adverse performance evaluation
- reduction in wages
- transfer
- demotion
- suspension
- dismissal

The nature of the sanctions will depend on the gravity and extent of the harassment. Suitable deterrent sanctions will be applied to ensure that incidents of sexual harassment are not treated as trivial. Certain serious cases, including physical violence, will result in the immediate dismissal of the harasser.

Implementation of this policy

Namo Ewaste Management Limited will ensure that this policy is widely disseminated to all relevant persons. It will be included in the staff handbook. All new employees must be trained on the content of this policy as part of their induction into the Company. Every year, Namowaste Management Limited will require all employees to attend a refresher training course on the content of this policy. It is the responsibility of every manager to ensure that all his/her employees are aware of the policy.

Supervisors, managers and those responsible for dealing with sexual harassment cases will report on compliance with this policy, including the number of incidents, how they were dealt with, and any recommendations made.
